# ***Minocqua Farmers Market Inc. Rules and Policies***

## **Vendor Responsibilities**

All vendors must abide by, and all products must comply with, all applicable federal, state, and local regulations governing health, packaging, labeling, taxes, scales, weights and measures, etc. The vendor must supply Market Management with documentation of compliance. For more information contact the Permit Information Center at 1-800-435-7287.

The re-sale of products is strictly prohibited and will be the cause for immediate expulsion from the MFMI.

## **Market hours**

In 2018, the Market will be held at the Minocqua Park Complex on Hwy. 70 West every Friday morning from Friday, May 18, 2018 through Friday, October 12, 2018 for a total of 22 weeks. Hours are 8:00 a.m. to 1:00 p.m. Vendors must arrive and check-in with the market manager **by 7:30 a.m.** All vendors must be set up and ready to sell at 7:45 a.m. Vendors arriving after 7:30 a.m. will not be able to drive their vehicle to their stall.

At the close of market (1:00 p.m.) members may continue to sell, but they must be packed up and ready to leave by 2:00 p.m.

## **Stall Designation**

Stalls are designated as “full summer”, “seasonal summer” and “daily”.

**Full summer** stalls are those held by members who have paid for the entire summer season. They will occupy the same stall location throughout the season. However, failure to notify the market manager of an absence by 7:30 am may result in their stall being relocated for the remainder of the season.

**Seasonal summer** stalls are only for those vendors that produce a limited season crop (e.g. sellers of blueberries and apples). They attend each week, but only during their crop’s season. If prepaid for their estimated season they will have a guaranteed stall. These weeks will be arranged on an individual basis and must be confirmed at least a week in advance of attendance with the market manager.

**Daily** stall vendors are not guaranteed a stall or a location and need to check with the market manager at least 48 hours in advance for availability. (Some weeks may be full)

**Non-Profit:** Daily stalls may be applied for. Season stalls are not available.

\*\* Guaranteed stall assignments will be assigned by SENIORITY front to back of market\*\*\*

## **Membership Requirement and Market Fees**

Vendors: Full summer, seasonal summer and daily stall vendors are required to fill out the required application and be accepted to become a member of MFMI. The application fee is \$25 for new vendors and \$10 for returning vendors and is not refundable. Vendors who have not been accepted as members, but turn up to the Market to sell will be turned away and asked to apply formally.

For a daily fee of \$10, members will be able to rent a stall with 12 feet of frontage. Full season stall rentals are available for \$170, per season, per stall. No one will be permitted to rent more than 2 stalls and this will depend upon availability.

Non-profit Organizations and Clubs: Non-profit organizations will not be charged a fee, but they must fill out the required Market application. Non-profits will be provided with one stall with 12 feet of frontage on a rotating, first-come basis. There is space for 1 non-profit organization or club each Friday.

## **Eligibility**

The MFMI encourages the sale of a variety of goods. All items must be homegrown, handmade, and/or vendor-created from locally owned operations within the nine-county region defined below. Examples of approved items include homegrown fruits, vegetables, meat, flowers, plants, baked goods, prepared foods and handmade arts & crafts.

Production must be done within the Counties of **Oneida, Vilas, Lincoln, Forest, Price, Langlade, Iron and Taylor**. \*\*\* **NEW FOR 2018, we will also accept applicants from Marathon County.**\*\*\* You must be a landowner or a resident of one of these nine counties. Exception to the 9 county region can be made by the board for the benefit of the market.

**The re-sale of products is not permitted and will be cause for immediate expulsion from the MFMI.**

We recognize the increasing variety of foods that require on- or off-farm processing and the inventiveness that farmers/growers are using to bring regional products to market has resulted in the growing complexity of what “producer-only” means. In making a case-by-case decision about the applications of farmers/growers, producers and their products, MFMI will use a balance of factors including quality of product(s), scarcity of product(s) at the Market, diversity of product mix at the Market and traceability of the farmers/growers and producers.

## **Artisans & Crafters**

Many crafts have long been a source of income for farmers and producers over the years and have played an important role in Wisconsin's economy. In this tradition, the town of Minocqua has allowed us to include a select number of stalls for artisans and craftspeople. This has been capped at not more than 15 percent of total market stalls.

Vendors interested in operating an art or crafts stall should apply using the Artisan & Crafter Application available to download on [minocquafarmersmarket.com](http://minocquafarmersmarket.com) or may have a copy mailed upon request.

Farmers/Growers/Producers selling producer grown goods at the market are allowed to sell craft items not totaling more than 10% of their total sales and not taking up more than 10% of their display. All craft items are subject to approval by the Board of Directors. The Market Manager has the right on market day to disapprove of any item he/she feels is inappropriate for the market.

Crafters who sell crafts that have the following attributes are more likely to be awarded a stall to sell at the market:

- The craft's primary ingredients are grown or produced by the seller.
- The craft's primary ingredients highlight seasonal ingredients from the surrounding eight-county region as much as possible and within the State of Wisconsin when not possible.
- The craft has a traditional use (i.e. soap, tools...)
- If most materials used in the construction of the craft are purchased (i.e. soap, balms etc), then most of the dollar value of the craft should be in the skill put in by the crafter.
- The craft is somewhat consumable such that someone might purchase a craft item multiple times in a season.
- Crafts that have a garden, nature or outdoor related theme.
- Crafts that show originality and skillful design.
- A similar craft is not already being sold at the market

## **Prepared Food Vendors**

A limited number of vendors who create/prepare food on site will be allowed. MFMI will strive to provide the greatest variety of quality food.

Information and guidelines can be found in the Food Vendor Application. Vendors interested in operating a food stall should apply using the *Food Vendor Application* available to download on [minocquafarmersmarket.com](http://minocquafarmersmarket.com) or by requesting a copy of the application be mailed to them.

The vending privileges of any vendor who has accumulated a total of 6 or more penalty points will be terminated.

The termination will be effective upon the day the decision is made by the MFMI Board. The vendor will be notified accordingly by telephone, in person or certified mail regarding the decision.
